What We Are Learning

First things first, I have truly enjoyed teaching and learning with-and about your children over the past couple of weeks. We are adjusting to each other very well, and I'm excited for all the growth ahead.

For the month of December, we will be focusing on Christmas and its meaning. We'll be decorating our classroom tree, making ornaments, decorating stockings, and enjoying lots of festive Christmas activities.

We will also continue staying on track with our curriculum. This includes working with numbers (we've been practicing adding!), colors, and shapes. We will also keep practicing kindness, sharing, taking turns, and using our words to express our feelings, ideas, and stories.

Reminders

- Bring in an extra change of clothes that matches the colder weather.
- Make sure to send your student with an appropriate jacket every day. We go outside even when it's cold!
