What We Are Learning

We have had so much fun learning about farms! The students loved exploring animals, apples, and pumpkins.

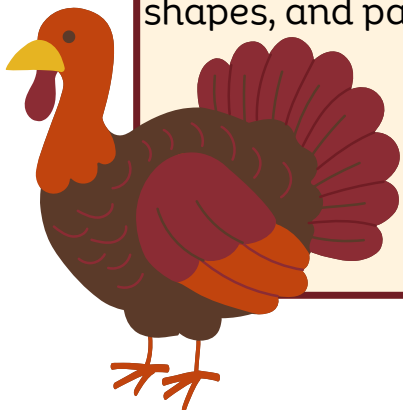

For the month of November, we will focus on Gratitude and Thanksgiving. We will talk about what we are thankful for and celebrate kindness and friendship.

Learning Goals:

Social and Emotional: Practice kindness, sharing, and taking turns. Talk about feelings and what we are thankful for.

Language and Literacy: Use words to share ideas and tell stories.

Cognitive: Explore numbers, shapes, and patterns.

Reminders

- Our community food drive will take place this month!
- Bring in an extra change of clothes that matches the colder weather.
