

November 2025

Our Saviour Scoop

Dear Families,

As the weather cools and the leaves begin to fall, our classrooms are filled with conversations about farms and everything we have to be thankful for! For the month of November we will continue to explore farm life while talking about gratitude.

To culminate our unit we will have a Friendship Feast on Tuesday, November 25th at 11:30. Families are invited to join us as we share a meal in celebration of friendship, kindness, and community.

Please remember that school will be closed November 26-28 for the Thanksgiving holiday. We hope you enjoy your long weekend!

As the temperature continues to drop, please make sure to send your child in weather appropriate clothing each day. We go outdoors as often as possible, even when it's chilly. Please also make sure to label all items with your child's name.

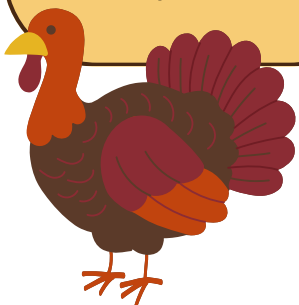

This time of year always reminds us of how lucky we are to be surrounded by such caring families and remarkable little learners.

I wish you a cozy and joyful Thanksgiving season,

Angel Peters

Director, OSL

"It's not the things we have, but the hearts we share, that makes us truly thankful."

November Food Drive

This month, we're giving thanks by giving back! We will be collecting non-perishable food items to support families in need. Donations can be dropped off in the boxes by the entrance from **November 3-25**.

Requested items include:

- **15 oz cans of pork and beans, corn, green beans, black beans, kidney beans, or diced tomatoes**
- **16 oz jars of peanut butter**
- **2lb bags of rice**

Every little bit helps! Let's come together as a school family to share kindness and make a difference in our community!
