OSLS 2025

What We Are Learning

We had a wonderful and progressive month of September in 2k!

Moving into October, we are continuing to work on sitting for circle time. This month we will start our Farms and Pumpkins unit!

Monthly Focus:

Color: Orange

Shape: Triangle

Letters: D, E, F

Number: 2

We will continue implementing our 6 centers, along with classroom rules.

We are also working on sharing and using gentle hands, walking feet, and listening ears in particular. We will enjoy Halloween crafts and stories this month.
