What We Are Learning

This month we are learning about how we are all different, unique, and amazing!

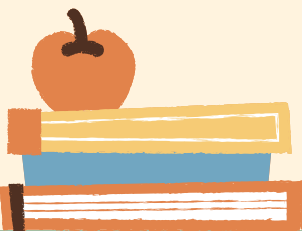

We will be completing projects that focus on All About Me and our Families.

All About Me:

- We will create books that talk about our favorite things and family.
- We will learn to draw a person using graphics (circle, lines, dots)
- Color and paint pictures of ourselves using colors that match our skin

Family:

- Share our family pictures with the class
- Talk about how families are all different and wonderful
- Have a picnic with our families!

Reminders

Soccer Shots will be here every Thursday for soccer practice! Look for more information in Brightwheel and on the bulletin boards to sign up.

Upcoming Events

- September 1-No School
- September 4-Soccer Shots Starts
- September 5-Family Pictures Due
- October 3-Family Picnic @ 11:00

Spotlight

Graphics Practice:

Every day we use whiteboard and markers to practice learning new lines and shapes used for drawing pictures, letters, and numbers. The students also practice self control by only drawing when the music is playing and stopping when the music stops. Ask your student what they drew in graphics practice!
