

December 2025

Our Saviour Scoop

Dear Families,

It's hard to believe December is already here! As we jump into this holiday season, our classrooms will be filled with music, stories, and conversations centered around the spirit of Christmas.

Our Christmas Program will be held on Friday, December 19th at 10:00 in the church sanctuary. Families are invited to join us as we present a short play and sing songs. Afterwards we will share in some cookies and hot chocolate. We look forward to celebrating this special morning with you!

School will be closed December 20–January 5 for winter break. We hope you enjoy your time with family and friends and return refreshed in the new year!

Wishing you a warm and peaceful Christmas season,

Angel Peters

Director, OSLS

Spotlight: The Power of Singing

Singing with children helps build language, memory, and emotional connection. December is full of chances to make joyful noise together! Repeating simple songs helps children develop rhythm, vocabulary, and confidence. It doesn't matter how "on key" we are. What matters most is the connection! A child's brain lights up when they hear the familiar voices of the people they love.
