What We Are Learning

Hi Friends!

So far our experience with introducing the Creative Curriculum has been a blast. We have had fun with the Balls and Rocks Units and we have so much more to explore! Our next Unit of Study will be Paper. During February we will also enjoy special Valentine's crafts and activities.

Focus this month:

Letters: P, Q, R

Number-6

Color-Pink

Shape-Heart

As always, we will continue our daily routine with circle time, centers, and listening to indoor and outdoor rules. We will also be implementing trying the potty!

Reminders

- Enrollment for the 2026-2027 school year is now open! Secure your spot today and get your registration discount!
